

The students of Evans Elementary will be dancing the night away on October 22<sup>nd</sup> to raise money for the Home & School Association. All of the students are encouraged to come out and participate and get as many sponsors as possible. Can I count on you?

I have enclosed a sponsor card for you to fill out and an envelope so you can send it right back to my school. Please make your check payable to "Evans H&SA" and be sure to put your phone number on the check. No donation is too small!!

All of the students at my school will benefit from this fundraiser. So on behalf of the entire school, thank you for your contribution!!
