Dear Evans Elementary Teachers and Staff,

On behalf of the Evans Elementary Home & School Association, I would like to welcome you back to the Evans Elementary School for the 2011-12 school year. We are gearing up for another exciting and fun-filled year for our school community. And we, as an organization, anticipate achieving great things at Evans through the collaboration of staff and parents.

With the support of the Evans Elementary community of families and staff, the Evans Elementary H&SA was able to support and enrich the learning environment of our students in so many ways during the 2010-11 school year. H&SA-sponsored events allowed families to spend time together at afterschool activities such as family fun nights and FIT nights. Through the generosity of families and staff, fundraisers allowed the H&SA to subsidize the cost of field trips, assemblies and the student yearbook, and to raise the funds necessary for the expansion of the Kindergarten playground area. In addition, several new installments have been made to the "outdoor classroom" of the protected wetlands through the partnership of family volunteers and Evans staff and students. And through continued support, the H&SA will be able to provide funding for these types of activities along with many more during the 2011-12 school year.

Because the collaboration of parents and staff is so important to us, we invite you to formally join the Evans Elementary H&SA. By joining the H&SA, you show your support for the H&SA and our efforts to make the students' experience at Evans Elementary a better one. If you are interested in making your H&SA membership formal please complete the attached membership form and return it to the Evans Elementary administration office.

Thank you for your time, input and participation. We look forward to working with all of you this year.

Sincerely,

A handwritten signature in cursive script that reads 'Chris Sites'.
